

HEATING INSTRUCTIONS

NOTE: Product is fully baked. Can be thawed and eaten.

WARNING: Avoid steam when handling the bag as it is hot.

MICROWAVE:

DO NOT REUSE WRAP

[Based on one calzone in 1000 watt microwave oven. Ovens vary so increase or decrease cooking times as necessary.]

1. Remove wrapped calzone from box
2. Place wrap on microwaveable plate. Venting one side may enhance browning.
3. Microwave on High for 4 to 6 minutes. (Rotate after two minutes if possible.)
4. Remove from microwave
5. Cool for at least 2 minutes. **Product will be hot.**
6. Open one end of the wrap and enjoy.

CONVENTIONAL OVEN:

DO NOT REUSE WRAP

1. Preheat oven to 400 degrees F.
2. Remove wrapped calzone from box.
3. Place wrapped calzone on foil or baking sheet.
4. Bake for 25 to 30 minutes.
5. Remove from oven.
6. Cool for at least 2 minutes. **Product will be hot.**
7. Open one end of the wrap and enjoy.
